

JOIN OUR TEAM

Youth Recreational Program Teacher

Start date: August 2025 (training), September 2025 (teaching)

Compensation: starting at \$19/hr

Duties:

- Teach climbing fundamentals, techniques and tactics to groups of children and teens
- Lead warm-up and cool-down exercises
- Deliver a weekly curriculum provided by the program director - includes lessons on technique, climbing session structure, and goal-setting
- Maintain a supportive, respectful class environment
- Occasionally assist with facilitation of birthday parties and similar youth events
- Report to the program director

Requirements:

- Enthusiastic about rock climbing and sharing your love for the sport
- Punctual and reliable
- Self-motivated and energetic
- Excellent communicator
- Substantial experience in indoor rock climbing with a broad knowledge of climbing techniques and their applications
- Personable, approachable and supportive
- At least 1 year of experience in top-rope belaying
- Strong understanding of bouldering safety
- Confident supervising and ensuring the safety of groups of children ages 8 and up
- Can commit to a consistent weekly schedule for the duration of each 8-12 week term (Sept-Nov, Jan-Mar, Apr-Jun)

Ideal experience:

- Experience supervising and/or teaching groups of children
- Experience working in recreation

Benefits:

- Free climbing membership included with employment (only applicable during consistent, weekly work)
- Paid sick time
- Wholesale price purchasing on all climbing gear

This is an entry-level, part-time position. Applicants without directly related work experience are encouraged to apply. Shifts are on weekday evenings and weekends.
