6. Fill out all of the appropriate information in the form that comes up about your student (name, email, birthday, home address, etc.) and then click the blue “Create Student” button at the bottom.

The screenshot shows a web form titled "Register a New Student for 2024-25". The form includes several sections: "Legal Name" with three input fields (Dude, McRude, Zerbonia) and a red "X" icon; a note "MUST match the name on the child's Birth Certificate (including suffix)"; "Student Preferred Name" with one input field (Duder) and a note "(Only if different from First Name above)"; "Enable Translation" with a checkbox and a note "(This option will appear in the bottom right of all screens)"; "Student Email" with one input field (dzerbonia@stu.fpsk12.net) and a red "X" icon, with a note "Email must be the student's email address ending in: @stu.fpsk12.net" and a "Note: All schools listed below do not require email addresses."; "Student ID" with a dropdown menu (Admin only field...); "Date of Birth" with three dropdown menus (April, 1, 2014); "Gender" with a dropdown menu (Male); "Grade" with a dropdown menu (9th Grade - (Class of 2028)); and "Home Address" with four input fields (Street Address..., Unit #..., City..., State, Zip Co).

7. If you have a returning student, be sure to click on the box to switch to the 2025-26 school year.

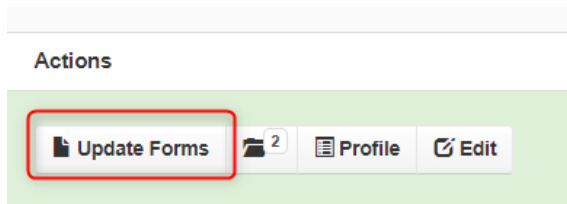

8. On the main screen, click on your “+Add Sports/Activities”

9. On the next page, select “Coed Marching Band” under “Join Extracurricular Activities” and then click on the blue “Update sports/activities” button at the bottom (be sure to add the right school year, the screenshot below may not be current).

10. Back on the main screen, click on the “Update Forms” button under “Actions” menu

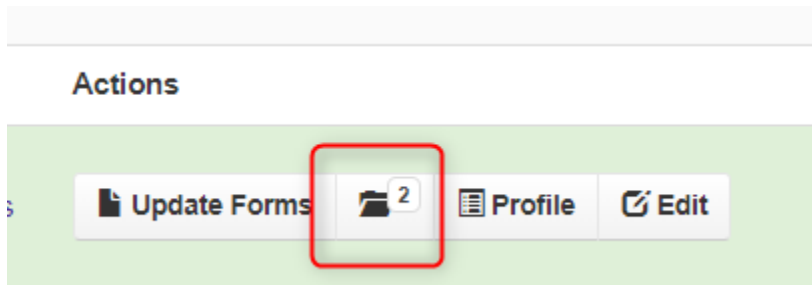

11. In this section you will be able to update numerous information about your student and it is critical that you do so that we have this available to the marching band staff and volunteers who will be helping your students during the season. Here are the section to fill out:

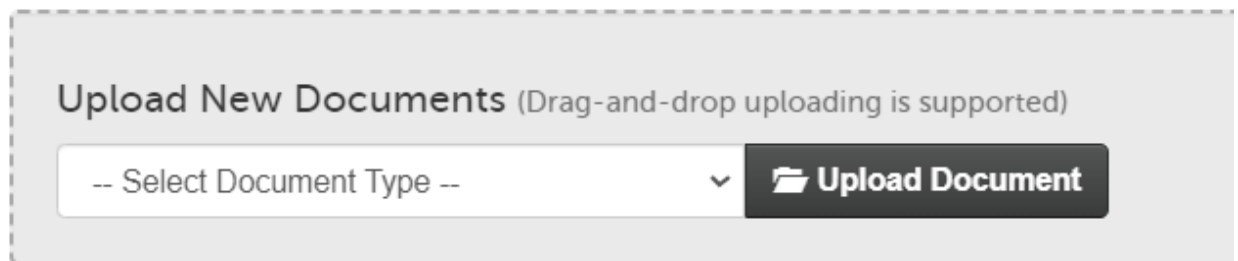

- **Contact Information:** More basic information about your student including where they live, who they live with, and parent contact information
- **Demographic Information:** High level information about the students Race/Ethnicity
- **Health History & Medical Profile:** All marchers are required to fill this section out so that we have good information for them when they are at practice, away at camp, or with us at a competition. This includes:
 - **Medications:** A list of all medications (both prescription and over the counter) that the student is regularly taking and will need during the summer and school year
 - **Injuries & Hospitalizations:** Information about any serious injuries or illnesses (including years) that have required the student to receive medical attention. It also asks about overnights at the hospital, surgeries, and if health has ever prevented the student from participating in heavy physical activity like sports
 - **Past & Ongoing Health Conditions:** A list of Yes/No questions about conditions your student might currently be facing that band leadership should be aware of. Please answer as honestly as possible as this will help the staff to care for your student while at marching band events and rehearsals
- **Emergency Medical Authorization:** This screen talks about emergency contacts (both parents and others), allows you to put in the students medical insurance information and

gives the opportunity to allow for your student to receive medical treatment as needed during band events and rehearsals

12. Finally you need to upload your physical. To do this, go to the folder icon under “Actions”

13. Click on the black “Upload Document” button and select the documents you would like to upload (which should include both the physical and the consent form).

14. Your student’s record will then go into review. If your physical is reviewed and you are fully cleared to participate, the student’s “Status” will change to “Eligible” and their bar will turn green. If for some reason your student needs to be limited their “Status” will change to a yellow color and say “Limited” and there will be information in their profile about what they are allowed to do. If for some reason their physical and information does not allow them to perform with the band the Status will turn red and will say “Ineligible”.
