Delta Epsilon Mu

The Professional Co-ed Pre-Health Fraternity

Prospective Member Application

Goals

The establishment of Delta Epsilon Mu in Orlando, Florida is committed to providing a professional environment among students who are seeking a future in a professional field of healthcare. As a professional fraternity, we will establish a network of connections between our members, professors, alumni, and health care professionals. This network will exist to further develop professional skills of its members, to unite the health community, and to promote community awareness of health related topics through health education.

Membership Eligibility

Membership is open to anyone who is interested in any of the varying fields of healthcare. Students of all undergraduate majors are welcome to join. Requirements of pre-membership shall include completion of a formal interview process, a minimum grade point average of 2.70, and payment of variable Prospective Member fees. To be deemed eligible for consideration, applicants must have at least three semesters, not including summer, but including the semester of their prospective membership, remaining as an undergraduate student at UCF, and a commitment of dedication and participation in the activities and the assignments of Delta Epsilon Mu during their prospective membership semester.
