

Kia Ora, Hello, Buongiorno!

Mi chiamo (My Name is) Catarina Rose, an Aussie-Italian voice actress currently based in beautiful Aotearoa, New Zealand.

With a naturally warm, expressive voice and the ability to shift from bold and commanding to soft and sincere, I bring life to every script. I have a background in theatre, public speaking, and character performance, and I'm constantly honing my craft, currently learning Italian to expand my vocal versatility.

Whether you're after a grounded narrator, a cheeky animated sidekick, a heartfelt ad read, or a chilling villain, I've got the voice to match.

 What I Offer:

- Commercial and character demo reels
- A range of emotional tones and accents (Australian, Kiwi, neutral international Italian-influenced)
- Professional, timely delivery and clear communication
- Experience in both scripted and improvised work
- I do not offer NSFW Voice Overs

My Rate is \$50USD Per 100 words.

You'll find my full range of demo reels attached covering commercial ad reads and character lines. Recorded either in my home studio or a professional studio.

I'm always open to collaboration, so if you're looking for a fresh voice to elevate your project, I'd love to hear from you.

Thanks for listening, and I hope to bring your words to life soon.
