

Inspire Champions

Hello Virgilio.

I watched your recent video on Canelo and Plant showing each other respect after their incredible bout with such a heated build up.

You stated that when boxers do battle they develop a deep respect for one another. This resonated with me as I have been in heated gym wars myself and have this experience.

I visited your website which offers your New Breed Program. It seems you have put tremendous effort into helping this generation of boxing with your coaching methods, nutrition and mindset advice.

I noticed on your instagram page there are not many posts to attract boxing athletes out there. I have created a thumbnail for an attractive post you can use to give factual information about boxing.

I have plenty of ideas in mind.

If you would like to see the rest let me know.

Best Regards  
From Oscar
