

Board Member Expectations

- We seek board members who bring one or more of the 3 T's: Time, Talent, and/or Treasure (personal, in-kind, or foundational giving). Future nominees will provide a perspective that broadens our ability as a board to be stewards of VentiCordi's creative vision.
- We hold an expectation for board members to ultimately hold board officer, executive committee, or committee chair roles.
- We seek board members who exhibit positive working styles (e.g. respectful of others, thoughtful, inquisitive, innovative, work with integrity, and value equity).
- We seek board members who will be advocates, champions, patrons, representatives, and active networkers for VentiCordi Chamber Music.
- We invite all board members to approach the board work and organization with a spirit of curiosity as we bring VentiCordi into the future.
- We expect board members to attend most if not all meetings annually, and concerts and fundraisers.
- Board meetings occur 10 times a year at a time determined by the full Board. Committees meet monthly, quarterly, or on an ad-hoc basis depending on their committee needs as determined internally by the committee. Board members are expected to serve on or chair a committee as part of their work.
