

# Privacy Policy for SOS Inventory Transaction Status Indicators

**Effective Date:** March 9, 2026

**1. Introduction** This privacy policy applies to the "SOS Inventory Sync Indicators" Chrome extension. We are committed to protecting user privacy and ensuring a transparent user experience.

## 2. Data Collection and Usage

- **No Personal Data Collection:** This extension does not collect, store, or transmit any personally identifiable information (PII), such as names, email addresses, or account credentials.
- **Local Processing Only:** The extension monitors API traffic (fetch/XHR) from [app.sosinventory.com](https://app.sosinventory.com) and [live.sosinventory.com](https://live.sosinventory.com) solely to extract synchronization status data (e.g., last sync dates and sync messages). This processing occurs entirely locally within your browser and is never sent to any external servers.
- **No Tracking:** We do not track your browsing history or your activity on any other websites.

**3. Third-Party Services** The Extension interacts with the SOS Inventory website ([app.sosinventory.com](https://app.sosinventory.com)) while you are logged in. This Extension is not affiliated with, maintained, or endorsed by SOS Inventory. The Extension does not share any information with third-party services.

## 4. Permissions Justification

- **scripting:** Used to inject a utility script ([pageHook.js](#)) to read local API responses.
- **activeTab:** Used to interact with the current SOS Inventory page.
- **host\_permissions:** Required to function on the specific SOS Inventory domains.

**5. Changes to This Policy** We may update this policy from time to time. Any changes will be reflected in the "Effective Date" at the top of this document.

**6. Contact Information** If you have any questions regarding this policy, please contact us via the support email provided in the Chrome Web Store listing.
