

POSSIBLE COURSE OUTLINE LANGUAGE

1. ALLOWING OR ENCOURAGING USAGE OF LLM/GEN AI TOOLS

- Technology can help you understand course materials better. You can use LLM/Gen AI or other technological tools in this course to learn or to complete assignments.
- You must follow the MHC Academic Integrity statement (MHC 2023/24 Academic Calendar p. 53). Ask for clarification if you are unsure about the rules.
- Cite any content from LLM/Gen AI tools properly. Use these guidelines for citing LLM/Gen AI material:
 - APA: <https://apastyle.apa.org/blog/how-to-cite-chatgpt>
 - Chicago: <https://www.chicagomanualofstyle.org/qanda/data/faq/topics/Documentation/faq0422.html>
 - MLA: <https://style.mla.org/citing-generative-ai/>

2. ALLOWING USE OF LLM/GEN AI TOOLS WITHIN LIMITATIONS

- You can use LLM/Gen AI tools for these purposes:
 - making an outline
 - brainstorming, gathering information, and refining ideas
 - fine tuning your research questions
 - checking grammar and style
 - *Others specific to your course*
- You cannot use LLM/Gen AI tools for these purposes:
 - writing final or major course assignments, including research papers, creating computer code, and taking tests
 - impersonating you in classroom contexts, such as discussion board prompts or web conferencing chat
 - completing group work without group consent
 - writing a draft of an assignment, including writing sentences, paragraphs, or papers for class assignments
 - *Others specific to your course*
- You can only use these LLM/Gen AI tools for this course: (PLACE SPECIFIC NAMES OF TOOLS HERE). No other LLM/Gen AI tools are allowed. Ask the instructor if you have any questions.
- You must cite your use of LLM/Gen AI tools correctly. Unauthorized use of LLM/Gen AI tools may be considered a violation of the MHC Academic Integrity statement (MHC 2023/24 Academic Calendar p. 53). Ask for clarification if you are unsure about the rules.
- While there are a variety of LLM/Gen AI tools available to assist writers, these tools are not a replacement for human creativity, originality, and critical thinking. Writing is a skill that you need to practice and improve. LLM/Gen AI tools may be used in limited circumstances and with proper attribution in this course.

3. PROHIBITING USE OF LLM/GEN AI TOOLS

- Do not use LLM/Gen AI tools or apps (such as ChatGPT, Midjourney, DALL-E, etc.) at any point and for any course assignments, evaluations, or assessments in this course. All work must be your own original work and follow the MHC Academic Integrity statement (MHC 2023/24 Academic Calendar p. 53). Using unauthorized LLM/Gen AI tools or apps will be considered a violation of the MHC Academic Integrity statement.
- The use of LLM/Gen AI tools (such as ChatGPT) is strictly prohibited in all course assignments, evaluations, and assessments *unless the instructor says otherwise*.
- Use of LLM/Gen AI tools in this course may be considered a violation of the MHC Academic Integrity statement (MHC 2023/24 Academic Calendar p. 53).
