Getting Started

- What is a place you'd really like to visit based on what you've seen or heard about it? What is it about that place that makes you want to go there?
- For context, Revelation 21-22 show how God will one day renew this world so that it will be once again what He always intended it to be. He will give this renewed world as an inheritance to all who belong to Jesus. May this vision provide hope, perseverance, and inspiration for a life of faithfulness to Jesus until He returns.

Diving In

- Read Revelation 21:1-8
 - o What stands out to you from this first section about the way God will renew the world?
 - o Why do you think this passage gives so much attention to who will enter this place, like in verses 7-8?
- Read Revelation Revelation 21:22-27
 - o What else do you notice here about God's renewed world?
 - o Remembering that all of this is symbolic, what is the significance of the things that will not be present there?
- Read Revelation 22:1-5
 - o This section has a strong connection with the Garden of Eden in Genesis 2. How does that help you understand the perfect world God has in store for us?
