

Hey, I'm Mimi!

Let's cut to the important stuff first—I'm dog obsessed. If you don't like dogs... see ya, bye. 🐾 (Only kidding... kinda.)

But seriously, I'm super happy you're here.

No icky sales stuff, no pushy pitches. If you like what I do, feel free to head to my [Skool profile](#), give me a follow, drop me a DM, or jump into one of my community groups.

Now, onto the good stuff—these are all the posts I've shared in the Skool Games and Skool Community.

I'll keep updating this file as I go, so feel free to dive in.

Come tag me, shout me out, and let me know what stood out for you.

I'm always up for a good convo, and so is Nami, my little fluffy Bali dog, who says hi! 🐶

LFG!!!
