

Privacy Policy for RateMe

Last updated: October 2025

RateMe is developed by RealMind Technologies (RMT). This Privacy Policy explains how we collect, use, and protect your information when you use our mobile application.

Information We Collect

- Personal information such as name and email (used for login via Gmail).
- User-generated content (text and images) uploaded for rating or comparison.
- App usage data for analytics and improvements.

How We Use Your Information

- To provide AI-based ratings and feedback.
- To maintain user accounts and personalized stats.
- To improve app performance and user experience.

Data Security

We use secure servers and encryption to protect your data. We do not sell, rent, or share your personal information with third parties.

Advertisements

RateMe may display minor in-app ads. These are managed through trusted ad networks that follow Google Play's privacy standards.

Your Consent

By using the RateMe app, you agree to this Privacy Policy.
