Hiking

So many options right not far from the campsite!

Here are some suggestions:

DuPont any combo of trails are awesome and some of the hunger games were filmed here...

<https://www.alltrails.com/parks/us/north-carolina/dupont-state-recreational-forest?u=i&sh=k1qkpu>

Looking glass falls

<https://www.alltrails.com/trail/us/north-carolina/looking-glass-rock-trail?u=i&sh=k1qkpu>

Sliding rock if the weather is warm enough is a super awesome natural rock slide!!

<https://www.fs.usda.gov/recarea/nfsnc/recarea/?recid=48156>

Sam Knob Loop - has a high point of 6000 feet!

<https://www.hikingproject.com/trail/7005360/sam-knob-loop>

John Rock - easier loop

<https://www.hikingproject.com/trail/7049908/john-rock-loop>

Mountain Biking

As always feel free to come up with your own loops! The links I provided are just suggestions.

Text Max Titov at 7038627391 with any questions about the bike trails!

Bent Creek:

- Intermediate riding

- <https://www.mtbproject.com/trail/3408618/greens-lick-ingles-field-gap-loop> - 13.6 miles 1600 elevation

- <https://www.mtbproject.com/trail/7042687/bent-creek-epicito> - 20.6 miles 2600 elevation

North Mills:

- Right by the campsite!
- Intermediate/Advanced riding

- <https://www.mtbproject.com/trail/7025326/spencer-gap-trace-ridge-loop> - 7.2 miles 1000 elevation
- <https://www.mtbproject.com/trail/7065939/mills-river-spencer-fletcher> - 10.4 miles 1200 elevation
- <https://www.mtbproject.com/trail/7041134/mostah-mills> - 17.7 miles 1900 elevation

Turkey Pen Gap:

- Advanced riding

-
- <https://www.mtbproject.com/trail/7040537/the-great-eight> - 24 miles 2500 elevation
- Pilot rock
 - Heinous climb: <https://www.mtbproject.com/trail/991856/laurel-mountain> - 6.2 miles 1500 climb
 - Heinous descent: <https://www.mtbproject.com/trail/994851/pilot-rock> - 2.2 miles 1500 descent
- Lots of other trails that I haven't checked out

Black Mountain:

- Advanced riding

-
- <https://www.mtbproject.com/trail/7062729/clawhammer-crawl> - 35 miles 5500 elevation
 - 3 challenging descents that loop the same climb trail
 - Can choose to do 1-3 of them

Dupont:

- All types of trails - beginner to advanced

-
- The northern area has easier trails that are mostly flow trails
 - <https://www.mtbproject.com/trail/1025374/dupont-ridgeline> - 6.3 miles 700 elevation
 - <https://www.mtbproject.com/trail/7063939/lake-imaging-loop> - 9.5 miles 1000 elevation
 - <https://www.mtbproject.com/trail/7007027/lake-imaging-lollipop> - 14 miles 1500 elevation
- The southern area has harder trails
 - <https://www.mtbproject.com/trail/777382/the-best-of-dupont-burnt-mtn-cedar-rock-big-rock-figure-eight> - 6.3 miles 800 elevation
 - My two favorite trails in dupont
 - <https://www.mtbproject.com/trail/7037393/most-excellent-dupont-west-side> - 21.5 miles 2600 elevation
 - IMO the eastern part of this ride can be skipped in favor of lapping the other trails

Chestnut Mountain / Berm Park

- Machine built and bike park style trails
- <https://www.chestnutmountainnaturepark.com/berm-park>

Whitewater

****Please reach out to Mitch (mcl2hwxw@virginia.edu)****

Some Area Rivers suitable for beginners (class III and below)

- French Broad
 - Variety of sections, FB9 is the class II-III classic
 - Paddle flatwater for chance at some “class IV” or take out before to avoid
- Nantahala
 - NOC is dope, good class II
 - Cold, continuous
- Nolichucky
 - Could be run on the way in/out
 - Class III+
 - “Boof stroke recommended”
- Pigeon?
 - The dirty bird
 - Class II

Stouter Rivers include:

- Nantahala Cascades
- Tallulah
- Wilson's Creek
- Green River Narrows
- Cheoah

Even Stouter:

- Linville
- Toxaway
- Etc. etc. etc.

Climbing

Reach out to Abby! (als6qm@virginia.edu)

It's mostly trad and bouldering in the area
