

## Current CPI Program Director salary bands by country\*

|                |                         |
|----------------|-------------------------|
| Australia      | \$161,000-175,000 AUD   |
| India          | 8,901,230-9,795,519 INR |
| United Kingdom | £89,890-108,300 GBP     |
| United States  | \$137,800-185,500 USD   |

*\*Please note that because we are flexible about location, not all salary benchmarks are provided at this time. Salaries will be benchmarked to the country in which the successful candidate is located and we will practice full salary transparency about the bands used with all candidates during the hiring process.*
