

Dear Students and Parents

Welcome to the new school year! I hope you all had a wonderful and restful summer, filled with enjoyable moments and opportunities to recharge.

We have some exciting changes to share:

Firstly, I am honored to introduce myself. I am Ryan Bytheway and I am the new principal at Escalante High School. I grew up in Glenwood, UT and graduated from Richfield High School. I arrived in Escalante with my wife Laura, and our three children. I met my wife at Brigham Young University, and received my masters degree from Western Governors University. I am thrilled and honored to be a Moqui.

Additionally, we are thrilled to welcome Lori Phillips as our new science teacher. Ms. Phillips filled many roles at Escalante High last year and is well prepared for the science courses she will teach this year

Finally, Emilee Lott will be moving into a new role as our Agriculture and Business teacher. Ms. Lott's expertise and enthusiasm in these fields will greatly enrich our curriculum and provide valuable opportunities for our students interested in these areas.

As always, our doors are open, and we encourage you to reach out with any questions, concerns, or suggestions. Together, let's make this school year memorable, successful, and full of growth.

Here's to a fantastic year ahead!

Sincerely,

Ryan Bytheway

Principal, Escalante High School
