

Eastern Regional High School

Optional iPad Damage Protection Plan 2026-2027

- Optional iPad Damage Protection is provided through the Eastern Camden County Regional School District annually for student-issued iPads for an upfront cost of \$50 per year, plus a \$30 deductible fee per incident (maximum of two incidents per year). The year is defined as September 2, 2026 to September 30, 2027.
- Damage protection may be purchased between August 20, 2026 and September 30, 2026.
- iPads for students in the Classes of 2027, 2028, and 2029 will be evaluated prior to being offered the Optional iPad Damage Protection to ensure that the iPad was not damaged prior to the purchase of the plan.
- The damage protection plan protects against accidental damage. Please note, catastrophic damage, theft, and loss are not covered.
- The Optional iPad Damage Protection covers a maximum of two incidents per year with a \$30 deductible fee for each incident. Any additional incidents are subject to repair costs and fines listed below in the "Table of Estimated Pricing for Not Covered/Uninsured/ 3+ Incidents".
- Students receiving free and/or reduced lunch would pay the \$30 deductible for each incident with a maximum of two incidents per year.
