Problem of the Week #6

Money for Nepal

The fifth graders organized a fundraiser at Pierce School to raise money for the people affected by the natural disasters in Nepal this August. The money raised will be donated to the Red Cross. Red Cross estimates that they can provide 3 meals for every $20 they collect. Use this bar graph to answer the question below.

How many meals can your grade (or class) provide?

Bonus 1: How much money did Pierce raise in total?

Bonus 2: How many total meals could Pierce provide?

Name:_____ Class:_____

First and last name, please

Due: 12/3/2026 (Thursday)
