Urban Studies and Planning	
USP 145. Aging. The Social and Health Policy Issues	Lewis

How to submit an undergraduate petition

For Pre-Approved Courses (Courses indicated with *)

If you are taking a course that is offered "by petition" it will not automatically show up your degree audit. You will need to [submit a petition](#) or send a message (easiest) in the Virtual Advising Center asking for the following:

"Please accept _____, a Global Health Pre-Approved Course, towards my _____ requirement for my Global Health _____ (Major/Minor)."

For Transfer, Study Abroad and Non Pre-approved courses

- Complete the [online petition](#) or the [Undergraduate Student Petition](#) - Fill out a separate petition for each course that you are petitioning. Attach course syllabus.
- For Paper Petitions: Include the course # (as it appears on TritonLink), course title, # of units, grade received, quarter/semester the course was taken, the University in which you were enrolled and specify the requirement you want to apply the course toward (e.g. Fulfill Global Health Major Elective Requirement). Please also sign and date the petition.
- Submit completed petition(s) & syllabus to the Global Health Advisor (The form can scanned and sent via email to ghpadvising@ucsd.edu or dropped off in the [GHP Office](#)).
- You will be notified via the Virtual Advising Center (<http://vac.ucsd.edu>) once your petition has been approved (please allow 2 weeks before contacting advisor).
