

Personal Political Platform

For the following issues, complete the prompt to create your own personal political platform. A “platform” is basically a statement of beliefs with a short rationale for that belief.

When it comes to health care in the United States, the government should:

When it comes to taxes, the U.S. government should:

To improve education, the U.S. government should:

In order to fix our economy, the U.S. government should:

When it comes to the environment, the U.S. government should:

In order to meet our energy needs, the U.S. government should:

I believe that climate change is:

and that the U.S. government should:

I believe abortion should be:

I believe that the death penalty should be:

I believe that guns should be:

I believe that U.S. immigration policy should:

I believe that United States' trade policy should include:

When it comes to ISIS, I think the U.S. should:

I think that the overall foreign policy (how we deal with other countries) of the United States should:
