

Privacy Policy for Circle Calculator

Effective date: April 6, 2024

Thank you for using Circle Calculator! This Privacy Policy explains how we collect, use, and share data for advertising purposes when you use our mobile application ("App").

Information Collection for Advertising

When you use our App, we may collect certain information for advertising:

- **Device Information:** We collect information about your mobile device, such as device model, operating system version, and advertising identifier (IDFA on iOS, AAID on Android).
- **Ad Serving:** Our App displays advertisements provided by third-party ad networks. These ad networks may collect and use data about your device and activities across apps for personalized advertising.

Use of Collected Information

We use the collected information to:

- Provide and optimize ad delivery within our App.
- Understand and analyze the effectiveness of ads.
- Measure and report aggregate statistics about user interactions with ads.

Disclosure of Information

We may share your advertising identifier and related information with third-party ad networks for targeted advertising purposes.

Opt-out

You can opt-out of personalized advertising by adjusting your device settings. For iOS, go to Settings > Privacy > Advertising > Limit Ad Tracking. For Android, go to Settings > Google > Ads > Opt out of Ads Personalization.

Changes to This Policy

We may update this Privacy Policy to reflect changes in our practices. We will notify you of any updates by posting the revised policy in our App.

Contact Us

If you have any questions or concerns about our advertising practices or this Privacy Policy, please contact us at [positivetechnology@gmail.com].

By using our App, you consent to the collection and use of your information for advertising purposes as described in this Privacy Policy.
