503 STUDENT ATTENDANCE

I. PURPOSE

- A. The school board believes that regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students, and establishes regular habits of dependability important to the future of the student. The purpose of this policy is to encourage regular school attendance. It is intended to be positive and not punitive.
- B. This policy also recognizes that class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher, and other school staff. This policy will assist students in attending class.

Finally, it is the student's responsibility to request any missed assignments due to an absence.

2. Parent or Guardian's Responsibility

It is the responsibility of the student's parent or guardian to ensure the student is attending school, to inform the school in the event of a student absence, and to work cooperatively with the school and the student to solve any attendance problems that may arise.

3. Teacher's Responsibility

It is the teacher's responsibility to take daily attendance and to maintain accurate attendance records in each assigned class and study hall.
