Dear Quest Families,

On February 24, 2017, the Quest Team will be going to the Majestic 10 Theater in Williston to see the film *Hidden Figures*. This is a synopsis of the film:

*The incredible untold story of Katherine G. Johnson, Dorothy Vaughan and Mary Jackson - brilliant African-American women working at NASA, who served as the brains behind one of the greatest operations in history: the launch of astronaut John Glenn into orbit, a stunning achievement that restored the nation's confidence, turned around the Space Race, and galvanized the world. The visionary trio crossed all gender and race lines to inspire generations to dream big. **Rated PG***

We will be leaving at 9:45 and will return by 1:00. The cost for this trip is \$10.00. If this is a hardship, please indicate on the form below or contact one of the Quest teachers.
