Family, Career, and Community Leaders of America is a dynamic and effective national career and technical student organization that helps young men and women become leaders and addresses important issues in personal and family life, and skills in several career pathways through Family & Consumer Sciences and related Career and Technical Education programs. The organization has involved over ten million youth since its founding in 1945. FCCLA is unique among youth organizations because it is the only national in-school organization with the family as its central focus. Participation in national programs and chapter activities helps members become strong leaders in their families, careers, and communities. (Name of School) has sponsored an FCCLA chapter since (year).
