Lost Mary — BM600 & BM6000 Vapes Ireland

Lost Mary has quietly become one of the most-searched vape brands in Ireland. Two devices, 40+ flavours, 20mg nic salt — and a flavour range that's genuinely better than most at this price point. We provide quick delivery to any location in Ireland and stock the entire BM600 and BM6000 series.

Lost Mary Vape — The Brand, the Devices, the Difference

Lost Mary sits under the same parent company as Elf Bar but runs as its own brand entirely. In Ireland, two devices do most of the heavy lifting — the BM600 for occasional or travel use, and

the BM6000 for daily vapers who want better value per puff. Both run on 20mg nicotine salt for a smooth, consistent hit.

Lost Mary BM600 vs BM6000 — Pick the Right One First Time

Feature	Lost Mary BM600	Lost Mary BM6000
Puff Count	600 puffs	6,000 puffs
Device Type	Disposable — single use	Rechargeable with replaceable pods
Battery	Built-in, non-rechargeable	Rechargeable via USB-C
Nicotine	20mg nic salt	20mg nic salt
Best For	Trying new flavours, light use, travel	Daily users — better value per puff
Flavours	30+ flavours	40+ flavours

Bottom line: daily users get far better value from the BM6000 — lower cost per puff and less waste. The BM600 is the smarter pick for trying new flavours or occasional use.

Lost Mary Flavours — What's Available on BM600 & BM6000

The flavour range is where Lost Mary pulls ahead. Fruit-ice combinations lead, but the drink-inspired and tropical options have built their own following in Ireland.

BM600 — Popular Flavours

Lost Mary BM600 Flavour	Category

Lost Mary Ireland — Questions Worth Knowing the Answers To

What is Lost Mary and who makes it?

Lost Mary is a vape brand owned by Elfbar—same parent company, completely separate range. In Ireland, the BM600 and BM6000 are the two main devices covering both casual and daily use.

What is the difference between Lost Mary BM600 and BM6000?

BM600 is single-use — 600 puffs, no charging needed, good for trying flavours or occasional use. BM6000 is rechargeable via USB-C with replaceable pods giving 6,000 puffs each. For daily vapers, the BM6000 works out much cheaper per puff.

Which Ireland-based Lost Mary flavours are the best?

Blueberry Sour Raspberry is consistently the most-searched Lost Mary flavour in Ireland. Pineapple Ice, Strawberry Kiwi, and Kiwi Passionfruit Guava are close behind. Cherry Peach Lemonade is the one people keep coming back to once they try it.

How much does the Lost Mary BM6000 cost in Ireland?

Check the current Lost Mary BM6000 price on the product page above. Replacement pods are sold separately and are the ongoing cost — buying in multi-packs brings the per-pod price down.

Do you stock Lost Mary liquid, juice or nic salts?

Lost Mary liquid and nic salts — including the MaryLiq range — are in our separate Nic Salts category. This page covers the BM600 and BM6000 disposable vapes only.

Where can I buy Lost Mary vapes in Ireland?

Order online here with next-day delivery to Dublin, Cork, Galway, Limerick and everywhere in Ireland. Lost Mary Tappo pods are also available separately in our Pods category.
