

SPARTAN BUY-A-BRICK

The Spartan Buy-A-Brick project is intended to raise money by installing a landscaping element at the entry-way to our Football Field. This project is a commitment to our schools, our community pride and a special recognition project. Each brick is engraved with a custom inscription of the purchaser's choice. The brick is placed in the landscaping element, which will honor all the purchasers, improve our football stadium and raise much needed funds.
