CPE Program Administrative Policy

Policy No. CPE-009 | Effective Date: September 1, 2026 | Policy Owner: CPE Program Administrator

Program Refund Policy

Kingsland University's CPE programs are offered to participants at no cost. Kingsland University does not collect payment information or charge a fee for its CPE programs. Free programs are ineligible for refund.

Future Fee-Based Programs

For future fee-based CPE programs, this Refund Policy will be revised in advance of that program's offering to specify the applicable refund terms, including request deadlines, partial-refund thresholds, and processing timeframe. The updated terms will be disclosed to participants in that program's descriptive/promotional materials, and will be available before registration, consistent with NASBA Standard 8.01.1.

This policy applies to every CPE program Kingsland University offers, in every field of study, and is not specific to any single course.
