

July 2025,
Parents and students of the Hudson of High School class of 2026:

We have a **NEW** process in place for submitting your senior portrait for the 2026 yearbook.
The following information regarding submission of senior portraits is very important, so please read it carefully!

The deadline for submitting your senior portrait is November 14th, 2025.

If a senior portrait is not uploaded via link and steps below by November 14th, your student's LifeTouch photo will be used instead, if a portrait is available.

Plan ahead; pictures should be taken by early September to give your photographer time to prepare your photo for the yearbook. Students may choose their own photographer to shoot their senior portrait for the yearbook.

Please inform your photographer of the following criteria:

- **JPEG file format is preferred**
- Photo quality needs to be **300 DPI** or higher for actual image size (A high-resolution photo is needed for printing purposes)
- Portrait should be a **vertical head-and-shoulder shot**. Horizontal photos will NOT be accepted.
- Simple, neutral backgrounds look best in the yearbook.
- File size NOT to exceed 50 MB. Very important!

We realize that the more formal, head-and-shoulders shot may not be your favorite pose or the one you choose to exchange with friends, but these guidelines will ensure consistency in the yearbook. See senior portrait example below:
