

Voices of Democracy Exclusion Act of 2025

Preamble

Whereas the Voices of Democracy server is a heathenous locale where infamous and notorious criminals have originated from,

Be it enacted by the Senate of SimDemocracy:

Article 1: Findings and Constitutional Authority

- §1. The Senate finds that the organization “Voices of Democracy” (“VoD”) has, through its membership and activities, caused or materially risked coordinated disruption across SimDemocracy’s platforms, creating threats to the rights of others, the rights of society as a whole, and the continued existence of SimDemocracy on those platforms.
- §2. Therefore, pursuant to Article 29 of the Constitution, the free and lawful exercise of rights by Vodders is limited to the extent set out in this Act, in order to protect others, society as a whole, and to ensure platform continuity.
- §3. A Vodder is excluded from all Core Territories and may not join, enter, or participate in any official SimDemocracy forum, channel, server, or electoral process within the Core Territories.
- §4. The Senate assents in perpetuity to the designation of “Voices of Democracy” as a proscribed organisation.
