Back to School Open House: Thursday, September 5, 2024

A flier will be sent home with students the first week of school.

[Back to School Flier \(LINK\)](#)

Chromebooks:

This year students will be using school issued chromebooks during the school day. These Chromebooks will be picked up before the first period begins and returned to the seventh period class carts at the end of the day.

Chromebook bags will not be provided this year and we are recommending students purchase a chromebook bag to assist in carrying their devices. [Possible Bag Options](#)

Current 7th and 8th grade students can use their school issued bag from last year.

Chromebook - Home Use

This school year we will be providing Chromebooks for students in each classroom using charging carts. This means students WILL NOT have a chromebook to bring home that is provided by the school.

Students should have a device available for their home use OR complete the form below to have MCPS assign them a take home device.

[Student Home Use Chromebook Request Form \(LINK\)](#)

Personal Mobile Device Policy:

Students are expected to demonstrate Redland Respect regarding the use of their personal mobile devices. This includes cell phones, wireless earbuds (air pods), and smart watches.

At 8:15am, all devices MUST be silenced and out of sight. We are encouraging all students to place their devices in their lockers for the day. Headphones (wired only) are permitted for use throughout the school day on Chromebooks for instructional purposes.

Students should refrain from taking photographs or videos of other students AT ALL TIMES at Redland MS. Redland MS is not responsible for any lost or damaged personal mobile devices.

Students are permitted to use their personal mobile devices:

1. School bus to and from school,
2. Between 7:45am – 8:15am,
3. After the 3:00pm dismissal bell.

Students **ARE NOT** permitted to use cell phones, wireless earbuds, and cellular watches during the day. MCPS Regulation COG-RA was recently amended to reflect this change.

For safety purposes, students should remove headphones while in the hallways when traveling between classes.

Students who violate MCPS Regulation COG-RA and use personal mobile devices (PMDs) during the school day without permission, will be subject to disciplinary action and will have the device secured in the main office for a caregiver to pick up after 3:00pm.

Bulldog Store Donations:

We miss seeing our young Bulldogs around the building, but hope everyone is enjoying some time away!

While our young Bulldogs are enjoying some down time, we are busy preparing for another amazing year! One current area of focus is our school store, affectionately known as the Bulldog Pound. All items in our school store can be purchased using Bulldog Bucks, a currency earned by all students as recognition for making positive choices. Please click the link below to learn more about how to donate and what items we are requesting.

Dress Code Reminder:

Because the building is a learning-focused environment, students should express themselves through their wardrobe within these guidelines:

- No hoods, hats, or headwear inside the building (Religious headwear is welcomed)
- Clothing should be comfortable for learning and appropriate for the school environment:
 - Tops and bottom must cover all undergarments
 - Explicit content cannot be displayed on garments

This is also a reminder that students should dress in layers as the temperatures do vary from room to room and from morning to afternoon. Jackets and heavy clothing should be placed in lockers.

SchoolCash Online

Montgomery County Public Schools uses the online payment system called **SchoolCash Online** as its preferred method of payment for school-related fees such as fundraisers, field trips, obligations, etc.

(Please note that the new payment system is NOT related to school cafeteria accounts)

SchoolCash Online helps parents/guardians and community members pay school-related fees safely, quickly, and easily. SchoolCash Online will help increase efficiency and security at schools by making payments directly into schools' bank accounts and eliminating the need for teachers to handle money. In addition, once registered, you will be immediately informed about school activities!

Powered by KEV Group, SchoolCash Online is the industry leader in the management of school fees. The new system puts all of the school-related fees online for purchase so users can make purchases online using a credit card or e-check. A processing fee will be included on all items available for purchase, regardless of the type of payment used on SchoolCash Online or at the school.

Parents/guardians can register now at - <https://mcpsmd.schoolcashionline.com/>
