-

INDUSTRY EXPERIENCE/TEACHING EXPERTISE

Assistant Professor

- Department: Post-Graduate Department of Management
- Institution:, Himachal Pradesh University
- Location: Himachal Pradesh
- Duration: July 2010 - Present

Responsibilities and Highlights: In my role as an Assistant Professor at the Post-Graduate Department of Management, I have been actively engaged in shaping the business leaders of tomorrow through impactful teaching and mentorship. My responsibilities include designing and delivering course material, facilitating interactive discussions, mentoring students on academic and career matters, and overseeing special projects. I have taken a hands-on approach to fostering an innovative learning environment by incorporating case studies, group projects, and real-world examples into the curriculum.

Noteworthy Achievements:

- Designed and conducted specialized workshops on financial analysis and strategic management for advanced students.

- Led a team of students in a major project focused on analysing market trends and formulating financial strategies for a local start up.
 - Initiated a guest lecture series, inviting industry experts to provide practical insights into finance and networking opportunities for students.
