How to Visit a Pantry

- **All pantries are accessible for all Lane County residents!** You do not need to visit the pantry closest to your home if the operating days/hours of a different pantry are better for you.
- **Make sure you income qualify:** To visit a pantry your household income must be at or below 300% of the federal poverty level. Refer to the chart below.
- **You will not need to show any identification or documentation to access food from a Lane County pantry.** Some of our partner agencies provide other services and may require other documentation for those services, but never to receive food.
- **Bring boxes/bags:** Please make sure to bring enough bags or boxes to take your food with you. You will be able to receive up to a 3-5 day supply of food for your household.
- **You may have to wait**: Sometimes lines can be long.
- **Around major holidays,** call ahead of time to confirm hours
- **You are welcome to get involved:** Many pantries would love your help. Ask personnel if they are looking for volunteers- it's a great way to give back!
