

Read Across America Parent/Family Participation

Oakland is planning a week-long celebration with themed activities and free books for Read Across America 2022, starting February 28 - March 4.

We would like to invite you (parents/guardians) to participate in our celebration by videotaping a reading of your favorite book and emailing it to your child's homeroom teacher. The video will be posted to your student's reading Google Classroom and /or other Oakland classrooms. Additionally, you may want to contact your child's homeroom teacher to set up a GOOGLE MEET or Zoom meeting time for you to read a story LIVE to the classroom. For the readings, you may want to read in a costume representing a book's character or read as a mystery guest.

All parents/guardians, please return the completed form below to Oakland by Friday, February 11.
