

Build-a-Band Challenge Choice Board

Choose your own level of challenge for the [Build-a-Band project](#)!

Pick a mild, medium, or spicy challenge for each of the three components: sprites, sounds, and user interaction. Have fun!

	Mild 🔥	Medium 🔥🔥	Spicy 🌶️🌶️🌶️
sprites	Use instrument sprites from the Scratch library 	Upload your own instrument sprites <i>Hint: search for images with transparent backgrounds!</i> 	Add animations to the instrument sprites (using the blocks below) 
sounds	Use "play sound" blocks to program your instruments 	Upload or record your own audio files Try soundbible.com for free sounds! 	Use the "play note", "play drum", and "rest for" blocks to program your instruments 
user interaction	Users interact with instruments by clicking on the sprites 	Users interact with instruments through a Makey Makey 	Users interact with instruments through the computer's webcam
