

Session 2: Worship as Our Paradigm for Mission (Ch 1)

PREP

Big Idea: Life-giving, disciple-making community is driven by infusing worship in all that we do.

Group Goal: Help your group come up with different reasons why being worship-oriented rather than results-oriented is more productive for community, disciple-making and service.

Facilitator Goal: Select the four questions that will best help your community accomplish the group goal above. You may use the following questions or come up with your own questions. Watch the clock and give adequate time to discuss these, filling in extra time with additional questions as needed.

LESSON

Lesson Questions: Select from the questions at the end of the chapter

TL;DR

1. What is something you underlined and why?
