I made a Spiritual Delivery Journal that is inspired by our testimonies. I believe it is significant to write down the amazing things God has done for us, in order to keep our faith strong with God. As I have utilized this journal for myself, it has truly given me what I was looking for plus more out of not only learning my lessons but going back and understanding them.

If you enjoy the journal or feel like you need something more please leave a review or message me personally via instagram: @thejanellealana. I would love to hear your story. Again, thank you for continuing your relationship with God. 🤎
