

Edina Elementary Cross Country 1 mile Races Sponsored by the Edina High School Boys and Girls Cross Country Teams

Saturday, October 28, 2023

Edina High School Lower Grass Fields (North End of EHS)

There is no fee

Please do not park in the neighborhood. Park in the EHS West Lot & go down the paved hill to the lower fields. Thanks.

3:00pm Girls 4th and 5th Grade, EPS 6th Grade Cross Country

3:30pm Boys 4th and 5th Grade, EPS 6th Grade Cross Country

Please arrive 30 minutes before your race to meet with your team coach (an Edina high school cross country athlete that attended your elementary school). Look for your school's large sign and check in there. You will be given a race bib to wear (you can keep). The HS coaches will lead you through a race warm-up, and bring you to the race start line. You can leave right after your race is complete.

We will score the team races by Elementary Schools. Low score wins in cross country. A point is given based on finishing place, and the top five places are added together for the team point total. The 6th and 7th runners can displace other teams' 5 scoring runners.

You must pre-register your child. There is no sign-up on the day of the races.

There is no transportation provided to or from the races. You must provide transportation for your child.

Results will be sent to adult emails that were provided at registration and posted on www.edinexc.com

Any questions please email Edina HS Cross Country coaches:
