GOOGLE FORMS 1

The Badge: The Google Forms 1 badge is issued to individuals that have demonstrated their ability to create a 5-10 question form that allows for multiple types of responses and includes images either in the question or answer submission portion of the form. The link to the public form should be shared to allow input of responses.

How to earn this badge: To earn the Google Forms 1 badge you must create a Google Form in which you demonstrate your ability to utilize the functions of a Google Form listed below. Your publicly facing document should be pasted into the submission form.

- ☐ **Create a Google Form in which you utilize "Forms" features**
- ☐ **Add 5-10 questions**
- ☐ **Vary the types of responses a participant can give with at least (3) different types (multiple choice, Short answer, dropdown, checkboxes, etc….)**
- ☐ **Use of images in the question space and/or the response area.**
- ☐ **Share the link to the public, fillable form in the submission area below.**
