

NEIGHBORHOOD CLEAN UP!

Organized by Yu Ying Parent Association

In honor of Martin Luther King Jr. Day (Monday, January 18th), YY families will be participating in the national day of service by organizing **park clean ups** in neighborhoods around D.C.

To make sure that these meet ups adhere to Covid-19 precautions, **you must RSVP to the organizer of the clean up that you would like to attend** so that we can control the number of people gathering in any one spot.

- Please let the organizer know *how many of your family members plan to attend*. If there is a large interest in one clean up location, we will add an additional meet up in that general area.
- All family members must wear masks at all times and maintain social distancing
- Also note that *meet ups are not all occurring at the same time*, so read the information below carefully.
- Please bring a trash bag and some type of gloves to protect the hands of your family members.
