

13 Miles for Frankie & Neeve Remembrance Walk
Saturday 16 May Dovestones Reservoir Oldham.

About the Charity

Frankie & Neeve's Road Safety Academy delivers life-saving road safety education to children and young people.

(Charity registration number 1215108)

Our mission is to help prevent future tragedies by teaching children how to stay safe around roads and make safer choices.

Every £20 raised supports one child.

£600 funds a full school workshop reaching around 30 children.

About the Walk

This 13-mile remembrance walk around Saddleworth brings people together to remember Frankie & Neeve, reflect, and turn that love into something positive by supporting vital road safety education.

We are proud to have the local community supporting this event. By taking part, you are helping to raise awareness of road safety while fundraising to help protect other children.
