Activities for all NTEU members

Arts picket locations <<< These are an important priority!

The pickets held on campus throughout the week are an opportunity for us to gather together peacefully, demonstrating our strength and solidarity with one another. These will be 'soft' pickets, meaning there is no intention of physically preventing anyone from entering a building or space.

Arts Workplace Meetings (all Arts staff encouraged to attend, note that all meetings will be held in hybrid mode)

Teach-in Seminars (all members and students welcome!)
