SECTION B. AUTHOR DECLARATION

By signing this form, the authors collectively confirm that the following statements are accurate:

1. Originality: The manuscript is original, has not been published previously in substantially the same form, and does not contain plagiarised material.

2. Exclusive submission: The manuscript is not under consideration for publication by another journal. Any prior dissemination, such as a preprint, conference abstract, thesis, or dissertation, has been disclosed to the journal where relevant.

3. Authorship: All listed authors meet appropriate authorship criteria, have made meaningful contributions to the work, and no eligible contributor has been improperly omitted. All authors agree to the author list and author order.

4. Approval and accountability: All authors have reviewed and approved the submitted version and consent to its submission to SLJoAS. Each author accepts responsibility for their own contributions and will cooperate in addressing questions concerning the integrity of the work.

5. Research ethics: The study was conducted in accordance with applicable ethical standards, institutional requirements, and relevant laws. Ethics committee approval, permit numbers, and informed consent have been obtained and reported where applicable; where approval or consent was not applicable, this is explained in the manuscript.

6. Funding and competing interests: All sources of financial support and all relevant competing interests have been disclosed in the manuscript and in Sections G and H of this form.

7. Third-party material: Permission has been obtained for copyrighted figures, tables, instruments, images, or other third-party material where required, and sources are appropriately acknowledged.

8. Accuracy: The authors have made reasonable efforts to ensure that the data, analyses, citations, and statements in the manuscript are accurate and have not been fabricated, falsified, or misleadingly presented.

SECTION D. COPYRIGHT, OPEN ACCESS AND LICENSING AGREEMENT

Publisher: Faculty of Applied Sciences, Uva Wellassa University of Sri Lanka, Badulla, Sri Lanka.

Journal: Sri Lankan Journal of Applied Sciences (SLJoAS).

Licence identified for this form: Creative Commons Attribution-NonCommercial-ShareAlike 4.0 International (CC BY-NC-SA 4.0).

Authors retain copyright in their work. If the manuscript is accepted, the authors grant SLJoAS the right of first publication and agree that the published article may be made available under the licence identified above, subject to the journal's current published copyright and licensing policy.

Under CC BY-NC-SA 4.0, users may share and adapt the work for non-commercial purposes, provided appropriate attribution is given and adaptations are distributed under the same licence. The licence does not remove the authors' responsibility to secure permissions for third-party material that is not covered by the article's licence.

The authors warrant that they have the authority to grant the rights described above, that the manuscript does not knowingly infringe third-party rights, and that required permissions have been obtained. If the manuscript is not accepted, this agreement does not grant publication rights to SLJoAS.

The corresponding author may communicate with the editorial office on behalf of the author group for routine editorial matters. This does not remove the requirement for each author to approve the manuscript and agree to the declarations and licensing terms.

Author Details and Signatures

Signature requirement: Each listed author should personally sign and date this form (handwritten or an electronic signature accepted by the journal) to confirm approval of the manuscript, declarations, and applicable licensing terms. The corresponding author must not sign for another author unless the journal has received that author's explicit written authorization.
