

E-Camp Escape Room Welcome Letter

OVERVIEW

Hello all, and welcome to the Escape Room session of the Literary Initiative's E-Camp. During this session, campers will work together to solve different riddles and tasks to escape a virtual escape room. An escape room is a room (in this case virtual situation) where different puzzles, tasks, and riddles will have to be solved together in order to be able to accomplish a goal. We will meet on Tuesdays at 11am (CST) and Fridays at 12 pm (CST). Please note that if you are in a different time zone you will have to convert the time to your time zone. Thank you and we look forward to meeting all of you this summer!

Meet The Counselors

Hi, my name is Sophia and I am another one of your counselors for the E-Camp escape room. I'm so excited to work and figure out how to escape the virtual escape room with all of you. I currently attend high school in St.Louis, Missouri, and have experience completing several escape rooms. I think they are so fun and eager to share the experience with you! Art, puzzles, and baking are some of my favorite activities to do in my free time. If I'm not doing those I'm probably playing basketball or frisbee with my family or friends. Hopefully I'll get to know a little bit about you while enjoying the session!

Hi! My name is Kelly and I'm the last counselor for your virtual escape room! I attend high school in Dallas, Texas and I spend most of my free time in orchestra or playing table tennis. While I can't claim to be an expert escape room-er, I have completed a few escape rooms, including virtual ones! I just know that I'm going to love working with all you, I can't wait!

Sample escape rooms:

These are a few sample escape rooms for you to try or look at to understand the basics of what an escape room is before the session.
