

UNIT 2 NOTEBOOK: PART 1

Purpose

Track your learning in real time! Compare what you know about key concepts at the beginning and end of the unit to see how your thinking evolves.

Process

Evaluate the statements below. You'll revisit your responses at the end of the unit.

Statement	Circle one	Explain
The invention of agriculture (farming) is the most important change in human history.	YES NO	
Humans became the most powerful species on Earth, thanks to collective learning.	YES NO	
Forager (hunter-gatherer) cultures were all pretty much the same no matter the environment in which they existed.	YES NO	

UNIT 2 NOTEBOOK: PART 1

Statement	Circle one	Explain
Differences between early farming societies were determined by the type of crops they grew.	YES NO	
Farming is a more desirable way of life than foraging (hunting-gathering).	YES NO	
There is very little evidence to explain why farming developed.	YES NO
