Instructions

After clicking on the link above, you will see the login page below.

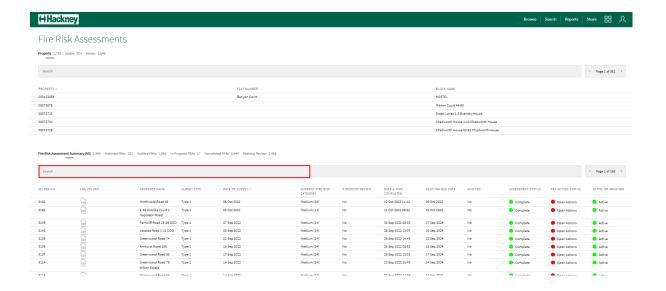

Log in with the credentials provided. After logging in you will see a page that looks like this. Click on the Fire Risk Assessment icon.

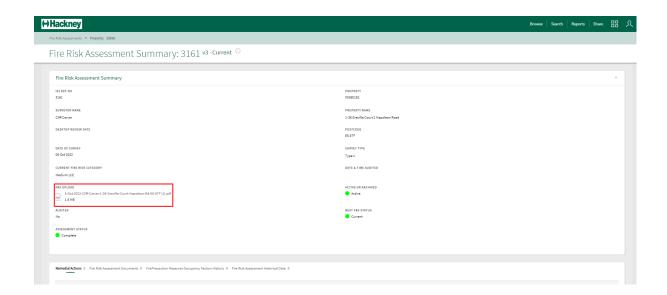

This will bring you to the main fire risk assessment page. Type in the block you would like to view in the search bar. Highlighted in red below.

The search results will appear below the search bar. Click on the property you want to download the Fire Risk Assessment for. The next page will show you a summary of the property.

There will be an option to download the PDF as shown below. Click on the PDF icon and the report will be downloaded.

If you cannot find your FRA this will be due to the gradual changeover to the new system. Please contact fire.safety@hackney.gov.uk and request a copy.
