CÉ MÉ??

Is mac léinn Innéalóireacht Sibhialta mé sa dara bhliain agus is feachtasaí teanga mé le fada an lá. Is de bhunadh Chathair Bhéal Feirste atá mé agus ó shin a bhfaighim mo luachanna mo ghrá don nGaeilge. Is iomaí uair agus mé sa mbunscoil agus sa meánscoil go ndeachaigh mé agus mo chomrádaithe chun sráide ag léirsiú go raibh muid Dearg le Fearg leis an éagóir a bhí á dhéanamh orainn mar Ghaeil sna Sé Chontae. Chaith mé mo dhara bhliain mar Oifigeach Cultúrtha agus Díospóireachta leis An gCumann Gaelach. Ba dheis iontach é seo imeachtaí a reachtáil don bpobal Gaeilge san Ollscoil agus deiseanna oiliúna a thapú.

A BIT ABOUT ME

I am a 2nd Year Civil Engineering student and a long-time language activist. I'm from Belfast City and that's where I got my values and my love for the Irish language. I've lost track of the number of times in primary and secondary school that myself and my comrades were on the streets demonstrating against the mistreatment of the Irish language community in the 6 Counties (budget and funding cuts, Language rights). I've spent this year as the Cultural and Debating officer for An Cumann Gaelach. It has been an amazing opportunity to organise events for the Irish language community on campus, and to do various types of training on campaigning and organising and funding events.

AIMS & OBJECTIVES

GAELOLLSCOLAÍOCHT

Tá an feachtas ar bun ag AMLÉ ó bhí 2025 ann agus é á tacú go traen ag an Leas-Uachtarán reatha. Mar mhac léinn ETIM mé féin, ba bhreá an feachtas seo a neartú agus a chothú ar champas, agus más féidir ar fud na tíre. Saol trí Ghaeilge atá uainn. Ach ní bhfaighimid gan deiseanna oideachais agus oiliúna don domhan mór, chun freastail ar phobal na Gaeilge.

AMLÉ CAMPAIGN FOR MORE OPPORTUNITIES TO STUDY THROUGH IRISH

This is a campaign which was launched in 2025 and the current VP has been a champion of it. As a STEM student myself, I would love to strengthen and develop this campaign on campus, and if possible on a national level. If we really want to live our lives through Irish (ik I do), then we need education and training opportunities for young people to support and attend to the needs of the Irish-speaking community.

TUILLEADH GREAMÁIN!!!

Cé nach maith leo greamáin? Ba mhian liom dá mbeadh an Teanga níos feiceálaí ar champas. Dóigh amháin a rachainn féin i ngleic leis seo ná go mbeidh tuilleadh greamáin ann. Is rud spraoiúil, agus sofheicthe iad. Má tá cuma ‘cool’ ar an Teanga, beidh sé a chothú á normalú agus á fhás i measc pobail na mac léinn ar champas.

MORE STICKERS!!!

Who doesn't like stickers?? I would love for the Language to be more visible on Campus. One way of achieving this is MORE STICKERS. They are fun and visible. If the language looks cool, we can do more to normalise, strengthen and grow the Language's popularity on Campus.

SÉIRBHÍSÍ CUÍ GAEILGE SA LEABHARLANN NUA

Tá an leabharlann úr á thógáil ag an ollscoil agus é foilsithe go mbeidh sé linn i 2027. Dúradh linn cheana go mbeidh seirbhísí Gaeilge ar fáil do mhic léinn ann. Chuirfinn brú ar an Ollscoil leis an ngealltanas seo a chomhlíonadh. Bíodh siad FEICEÁLACH agus fairsing.

PROPER IRISH LANGUAGE SERVICES IN THE NEW LEARNING COMMONS

With the new Library and Learning Commons under construction, set to open next year, we've been told there will be plenty of services available through Irish. I would keep up pressure so that these hard-won services are not only delivered, but VISIBLE and widely available.

CUIR MICHEÁL D. AR AIS SAN ÁRAS!! (Bhuel ní an Áras sin)

Agus é fógartha ag an Ollscoil gur mhaith leo Iar-Chaifé na Gaeilge a athmhaisiú, ba mhaith liomsa déanamh rithchinnte go gcloíonn siad leis an ngealltanas sin. Mar shiombail den mbeocht úr seo a bheas ag teacht isteach go hÁras na Gaeilge, ba bhreá liom (mar bhuaicphointe) múrphictúir den Iar-Uachtarán Micheál D. Ó hUiginn a chur san Áras chun 35 bhliain i ndiaidh í a oscailt a chomóradh, dáta a bheas linn i 2028

PUT MICHAEL D. BACK IN THE ÁRAS! (just not that áras)

The university has already indicated its wish to refurbish what used to be Caifé na Gaeilge into a new vibrant social space for the Irish language community on Campus. I would like to see this delivered upon without delay. Also, as a highlight, I think it would be brilliant to put a mural of ex-Uachtarán na hÉireann (and national sweetheart), Miggeldy on the wall in Aras na Gaeilge. It would be perfect with the 35th anniversary of him opening the building coming in 2028.
