There are restrooms located in the main cafeteria hallway (near the concession stands), or in the entryway.

There will be a concessions stand available for purchase. Please limit the items eaten in the gym, so masks can remain on.

MASK will be REQUIRED upon entry. We ask that when eating or drinking, you do so and return your mask over your face as soon as possible.

Ticketing System:

Each athlete, poms squad member, pep band member and their coach have been given two tickets.

You must present a ticket to enter, or have one ticket with your household members present at the time of entry. We will trust that spectators are being honest of their households. Students who participate in more than one thing will only be given two tickets. (Ex: athlete plays on the JV Girls basketball team, is a member of poms and then also in the pep band, she will receive two tickets for the JV Basketball game.) Your ticket does not entitle you to free admission, just entrance in. Admission price will be \$5.00 (HS), \$4.00 (JH), and Wapello, Conference and State passes will be accepted.

As a reminder spectators are asked to leave the gymnasium when their athlete/musician is done competing. Also, masks are to be worn in the school at all times.

For those not able to attend the games, we will stream (subscription based) the games in the main gym. The link to each game is below. (Your subscription is one time only. You will be able to view all three games if you choose.)

DISCLAIMER: We know the ticketing system is confusing and ever changing. We apologize for any confusion in advance, and any that may come in the future. As more/new information becomes available, we try to adjust to keep up with those changes (even when they're clear as mud). We thank you in advance for your patience and understanding, and willingness to be flexible. If you feel something doesn't make sense please email the AD ([michelle.wade@wapellocsd.org](mailto:michelle.wade@wapellocsd.org)) for clarification (I will do my best, make adjustments as I can.).
