

Privacy Policy for Mahjong Tile Match Master

Thank you for playing Mahjong Tile Match Master. This Privacy Policy explains how we handle information when you use our game and describes our approach to protecting your privacy.

By using Mahjong Tile Match Master, you agree to the practices described in this Privacy Policy.

1. Information We Collect

Mahjong Tile Match Master is designed to provide an enjoyable puzzle gaming experience. We may collect certain information to improve game performance, maintain services, and enhance user experience.

The types of information that may be collected include:

Device information, such as device model, operating system, language settings, and basic technical information.

Game-related information, such as progress data, game settings, achievements, and usage activities.

Information collected through third-party services used within the game, such as analytics or advertising services.

We do not collect personal information that directly identifies you unless it is necessary for providing specific features of the game.

2. How We Use Information

The information collected may be used for the following purposes:

Providing and improving the Mahjong Tile Match Master gaming experience.

Maintaining game functionality, stability, and security.

Understanding player preferences and improving game content.

Analyzing game performance and optimizing user experience.

Providing relevant advertisements through third-party advertising services.

We use collected information only for legitimate purposes related to operating and improving the game.

3. Third-Party Services

Mahjong Tile Match Master may use third-party services to support features such as analytics, advertising, and game improvements.

These third-party service providers may collect and process certain information according to their own privacy policies. We encourage users to review the privacy practices of these third-party services.

4. Advertising

The game may display advertisements provided by third-party advertising partners. These partners may use certain information from your device to provide more relevant advertisements and measure advertising performance.

You can manage advertising preferences through your device settings where available.

5. Data Security

We take reasonable measures to protect information collected through Mahjong Tile Match Master. However, no method of electronic storage or transmission is completely secure, and we cannot guarantee absolute security.

6. Children's Privacy

Mahjong Tile Match Master is designed for general audiences. We do not knowingly collect personal information from children. If you believe that a child has provided personal information, appropriate steps may be taken to remove such information.

7. Your Choices

You may control certain information collection through your device settings, including permissions and advertising preferences.

You may also stop using Mahjong Tile Match Master at any time if you do not agree with this Privacy Policy.

8. Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our services, technology, or privacy practices.

Any updates will be reflected within this Privacy Policy, and we encourage you to review it periodically.

9. Contact and Support

For questions regarding privacy or this Privacy Policy, please refer to the support information provided through the appropriate application platform.
