

Terms and Conditions

At Vasileio, we make sure customers receive the best quality products and services abiding to our rules and T&C's. Any user who has access and/or purchased one of our products has automatically accepted our T&C's

- No customer of products and/or pre-orders are obliged to refunds under any circumstances.
- No customer without permission is able to resell and or give away our product on an external site or community.
- No product should be used on any external site. Products are made for ROBLOX only.
- Once a customer has transferred a product to another user, you no longer have access or right to that product, and the same consequences as theft will be used if found.
- Once purchased/ given access to a product you are not allowed to modify the product in self-gain motives.
- No private messages, commands, or punishments will be leaked from Vasileio's server.
- Vasileio has the right to revoke product access from any user if they violate our server rules, terms or staff instructions, with no refund.
- By purchasing a pre-order you agree to not be given a specific time and no refund if the product is canceled.
- Services are able to be refused at any time if the client does not meet Vasileio's client expectations and background checks

The Terms and Conditions apply to any customer who has purchased a product and/ or preorder, as well as any user inside our Discord Server.

Sanctions will be given depending on the rule broken.

Investment Terms and Conditions

At Vasileio, we make sure our investments are made safely and with the correct agreements. Investors automatically agree to our T&C's once they have made a minimum of **one** investment.

- Investors are not guaranteed a set return.
- Investors are only given refunds under specific circumstances.
- Investor perks and percentages can be revoked at any time by a senior staff with valid reason. (Requires serious rule and investment violations)
- Vasileio is not obliged to any currency lost, it is your own risk.
- Investments are able to be refunded and removed at any time with royalty as agreed.
- The monthly return is only given on what is stated via the agreement, not flexible.
-

Current investment rates / Feb 2023
