

African American Civil Rights

Student
Non-Violent
Coordinating
Committee

Southern
Christian Leadership
Conference of 1957

Ella Baker

& Human Rights Activist

1.) She focused on African American civil rights issues & human rights issues.

2.) Early on she worked for the National Association for the Advancement of Colored People. This brought her to become one of the founders of MLK's Southern Christian Conference of 1957.

3.) Ella created SCLC to fight racism. She later supported a student-run organization, and encouraged young people to found SNCC

4.) Ella is mainly remembered for her work in the NAACP & SNCC

5.) Ella believed that the strength of an organization grew from bottom to top
