

SPNA Meeting August 8, 2022 @ McCabe Community Center

Special guest Kathleen Murphy
Introductions with everyone

July minutes waiting to be voted on until we have a quorum to approve minutes- need to approve meeting notes for July in September, not enough Steering committee members to vote

- Kathleen- community meetings coming out- conservation overlay meeting rescheduled for Thursday, August 11th at McCabe Community Center – historic vs conservation overlay intro
 - Overhaul of lobbyist code pre-pandemic started and stalled, moving forward to have open forum and suggestion for updating August 25th
 - September – first meeting, community meeting will be held later in September- tree legislation will start- start January 2023- impact clearcutting trees for development, heritage trees will be protected by higher fines if cut
 - Provided general updates on the city- RNC updates for fees and incentives – voted to differ and wants discussed through the committee process
 - Q&A with group - questions about building codes, historic overlays surrounding Bowling House overlay, traffic calming clarity, sidewalks and libraries, water project in 2015, storefront renovations on Charlotte across from Turnip Truck, East bank study for new Titan's stadium
 - Suggestion to add overlay guidebook to website for easy access
- Membership is at 127 members
- Treasury \$18+k for checking.
 - Full financial report in August agenda
- Nothing on BZA agenda- Kathleen is writing legislation to clarify BZA going forward for additional buildings on a property
- No communication updates
- Meeting for Welcome Committee to update Welcome Bags happening soon (no date given)
- Traffic calming meeting August 10 – 37th petition is complete and signed off- traffic engineers ordering supplies;
 - Nebraska – 3rd meeting for 37th - 51st traffic cushions, no restriping- posted on website;
 - Elkins kick off coming
 - NDOT has a new process for getting signatures from residents – 6 week period for households to respond electronically
- Waiting to hear about tree approval; tree planting day November 5
- Richland Creek clean up on October 22nd
- Parents group planning Halloween event for kids at farmers market
- Yard sale was successful

- Update about Night out Against Crime from Mike (team member)- well attended
- Graffiti issues on the greenway brought up - encouraged to reach out to HUBnashville
- Overpass painting- someone in Sylvan Heights interested too- CSX has a grant program now
