

SAMPLE WELCOME LETTER FROM CLASS PARENT TO CLASS FAMILIES

Hello to all Parents and Carers of Children in (Class)

We/I have offered to be your Class Parent(s) for this school year.

The role of a Class Parent is to extend the sense of Morley school community, by being a communication link between parents of children in the class and also between the teacher and home. We also organise social events and get involved in Friends of Morley activities like the summer fete.

If you haven't already, please join ClassList so you can communicate with other families in our class.

ClassList is an app (also available via the ClassList website www.classlist.com) which parents at Morley use to connect, communicate, support each other and stay in the loop with what's happening at school. Friends of Morley also use it to communicate with you about events.

It's really useful for posting questions and messaging other parents in your child's class or year group for tracking down lost jumpers, organising play dates and checking homework/PE days! To find out more, you can also watch the Classlist demo video, which is [here](#).

Download the Classlist app on your mobile or visit www.classlist.com - and then search for our school name.

If people would like to, we will organise an informal get together. Have a think about what you might like to do. It could be meeting in a park with the children after school, having coffee morning or a drink/meal out in the evening.

Cheers,

Name (s)
